

CORPORATE BROCHURE

WHO ARE WE?

i Design Interior architects believe in transforming a space into a marvellous and unique concept and win clients through commendable creativity paired with timely delivery and build reputation through enhanced communication and upbeat service.

With comprehensive knowledge and experience in interior designing, i Design is focused on creating history in design architecture, interior, furniture and accessories while blurring geographical boundaries and presenting an aesthetically appealing result. The company has earned recognition through coupling the three "i" 'Intuition, Integrity and Individuality.

Successfully delivered world class services and transformed the businesses of our clients by bridging cultural differences and translating services as per spatial requirements.

SIMPLICITY

Our aim is to deliver our services paired with high quality and standards while suggesting a minimalist approach focused on deliverables within budget.

THINK DIFFERENT

At i Design, we believe in presenting creative solutions while achieving sustainability and cost efficiency.

BELIEVE IN VALUE

We thrive to add value to your space through our careful approach. Our highly professional team has a cautious mind in selecting each and every article that will adorn your space. Every article and design approach chosen serves a purpose to add value to your space.

OUR PHILOSOPHY

We take pride in offering specialty interior design services to commercial, residential, retail properties and exhibition stands. We offer all our quality-conscious clients with an outstanding professional service backed up by efficient after sales service. With a strong reputation in the industry, i Design works with an 'Eagle Eye' approach in churning out raw ideas into the ultimate design concepts to achieve clients vision. We commit to deliver excellence in service and follow our motto 'Designing to Inspire'!

“We build interiors, we build trust.”
